**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please make sure that we can continue to get the internet service from independent competitive providers. Allowing giant conglomerates such as ATT and Comcast to dominate the internet market would only cost us consumers. I am a teacher and rely on broadband internet to allow me to prepare lessons at home, and my current independent competitive internet service provider has been very efficient with good communication supporting my work and allowing me to be a bit ignorant and still have good internet service.

Thank you.
